HOW IT WORKS

- Non transdermal, Non invasive, Has No ingredients (show patch and sleeve)
- Organic nano crystal mixture that absorbs and traps the body's infrared body light/heat when applied
- Crystals then reflect part of the infrared spectrum back into body
- Much like when we go out into the Sun and our bodies create Vitamin D
- The light frequencies Elevate what is known as the GHK copper peptide – It is a Master Signaling Molecule WHICH THEN begins to...
 - reset over 4000 genes within 24 hrs
 - repairs DNA
 - most importantly, activates body to create pluripotent stem cells (explain intelligent and knows where there is dysfunction in the body and goes to work regenerating the imbalances)
 - Entire process called Phototherapy or Photobiomodulation - metabolic change in cells
- Wear 12hrs on/ 12 hrs off (tell why, drink plenty of water, best to wear during the day)
- Interestingly,,,,Statistics show that 50% of People experience results quite quickly and 50% experience more gradually from 1-4 months
- New England JOM - “ #1 Indicator of wellness is directly correlated to number of stem cells in blood stream”

We call this technology AGE REVERSAL

- 35 yrs old (50% down) by 60 yrs old (around 80% down) GHK and Stem Cell production both diminish at approx. same rate
- Double whammy for aging
- OPTIONAL: Every day 50-70 billion cells die and are replaced - replacement replicates cells in the body, that’s why we take nutrients to to raise our health level. With X39, body replicating with Younger stem cells regenerating and repairing daily
- Diverse benefits that you heard just now
